

EDUCATION

Year	Degree/Exam	Institute	CGPA/Percentage
2026	B.Tech, Electrical Engineering	Indian Institute of Technology Kharagpur	9.08
2022	Class XII, GSEB	Advait Vidhya Niketan School, Bharuch	88.67%
2020	Class X, GSEB	Swami Vivekanand School, Ankleshwar	89.5%

INTERNSHIPS AND PROJECTS

Predictive Analysis On Network Nodes	December'23 - present	Prof. Akhilesh Kumar
◦ Developed various machine learning and deep learning models on cyber-detection in network nodes		
◦ Well versed in Neural Networks and Anomaly detection		
Micro Credential Validation Website	August'23 - September'23	
◦ Implemented a website based on NFT Gating and Zero-Knowledge Proofs(ZKPs)		

SKILLS AND EXPERTISE

- **Programming Languages:** Python, C++, C, Javascript
- **Frameworks and Libraries:** ReactJS, Matplotlib, Numpy, Pandas, Bootstrap

COURSEWORK INFORMATION

- Probability and Statistics
- Signals and Systems
- Programming and Data structures
- Network Analysis
- Economics
- Computer Organization and Architecture

POSITIONS OF RESPONSIBILITY

Student Mentor Institute Wellness Group	July'23 - September'22
◦ Guided and mentored more than 20 freshmen students in acclimatizing to the Environment of the Institute.	
◦ Helped them with their academics by arranging meetings with their mentors and still maintain a good rapport with them.
